

# Forty-Sixer 2017 Spring Meeting Highlights

The 46er Executive Committee met prior to the dinner and general meeting to discuss club business including the new Trailhead Stewards project.

200 of the 712 new 46ers who finished in 2016 check in to register and pick up their name badges with their 46er number.

The Crowne Plaza banquet room in Lake Placid was filled with more than 500 new and old 46ers, family members, and friends.

Lee Nesbitt and Pam Keida organize the Certificates of Accomplishment to present to the new 46ers.

46ers gather for the traditional vesper service.

The new 46ers were eager to purchase 46er emblem items including hats, water bottles, a variety of shirts and jackets, patches, buttons, mugs, and bandanas.
