

## Announcing the 2018 Memorial Hike!

When: August 4, 2018

Where: Every One of the High 46 Peaks in the ADKS!

To commemorate the Centennial of the Marshall brothers and Herb Clark's ascent of Whiteface, we are organizing synchronized memorial hikes up all 46 High Peaks. Participants will dress in attire and use the gear of the 1918 era. The hikes will be staged such that all groups will summit the peaks approximately 11:30 AM – 12:00 PM.

**We are looking into a special surprise for all at 12:30 PM on that day! Stay tuned!**

You must be a registered, dues-paid ADK 46r to participate. We are limiting group size to 6 people per group or peak. Space for this event is limited, and hiking slots may fill fast.
