- **NEW REGISTRANTS ARE DONE** and should SKIP section seven. You now have an Aspiring 46er number.
- **POTENTIAL MISTAKE:** If you are an existing 46er and you created a new Aspiring Member account by mistake, contact us and we can MERGE your new account with your correct information we have on file.

**STEP SEVEN:** The following section is ONLY for EXISTING MEMBERS who had a 46er or Aspiring number.

- **EXISTING/CURRENT MEMBERS:** Enter your 46er number (DO NOT ADD A WINTER “W” or A NUMBER SYMBOL (#). Enter only ONE number AND/OR your 4-letter security code IF YOU KNOW IT (NOT a code you make up; only the one we sent you on your mailing label). Aspiring Members **MUST** include the letters “ASP”, ie. “ASP12345”.

**Member Note**

If already have an ASP or finisher member number please enter it below with your web authorization code. This will expedite connecting your website account to your member account. If necessary, confirm your (non-ASP) member number in our online **Member Roster** first. New members and all others, skip the member number/web auth code section.

46er / Aspiring Number

Please do not enter "46/46er" " " "#" or "W" (no spaces). Use only numeric 0-9, except place 'ASP' before an Aspiring member number (i.e. ASP12345, not just ASP). Lookup your regular finisher number on the online Member Roster first if not sure. ASP can contact Membership.
